

**on time. on budget. everytime.**

## Chad Sherger

### President

Chad Sherger is a life long entrepreneur and expert in the Real Estate and Commercial Renovation industries.

Chad has developed and overseen multi million dollar projects as owner and founder of Eco-Coatings & Exteriors. Chad excels in the area of Project Management where he is an expert at marrying together two unique skills.

The ability to manage the big picture vision while not missing any of the important details that contribute to the successful completion of every project.

Chad embodies the best qualities of a true entrepreneur and demonstrates these through his ability to achieve every goal he has set for himself and his business. Chad’s commitment to service is unwavering throughout the project life cycle. Chad is able to identify solutions and build consensus amongst the stakeholders is critical to our success as a collaborative partner.
