

on time. on budget. every time.

## Kids U - Centennial Place

Kids U is a progressive early childhood educator based in Calgary. They were looking to develop their flagship campus in the main floor of the Centennial Place building near Eau Claire Market.

Sherger Construction worked closely with the stakeholders, building on the individual strengths and experience of the various participants, to create a budget and division of labour that worked for everyone.

Sherger Construction was engaged to help with the construction of the interior including the framing and drywall, electrical, HVAC, plumbing and 7000 sq.ft. of commercial flooring.

This involved collaborating with the building owner Oxford Properties Group, Kids U, Pfive, subtrades and vendors.

## Project Performance

The project was completed on time and on budget.

## Project Address

501 2nd Avenue SW Calgary, AB T2P 0R5

## Project Reference

*"We engaged Sherger Construction participate in the construction of our new campus in the Centennial Place building. This included framing, drywall, new electrical and lighting, HVAC, plumbing and 7000 sq. ft. of commercial flooring. Sherger Construction worked closely with us to develop a budget, project schedule and create effective solutions to some of the challenges inherent within the space. The job was done on time and on budget and the entire team was a pleasure to work with. Collaboration with multiple trades and vendors was a key factor in the success of this project.*

*Kids U is pleased to recommend Sherger Construction to anyone requiring a sophisticated commercial buildout."*
